Fakatutalaaga Fetoko he Vagahau Niue/Niue Speech Competition

Dear Principal

Fakaalofa lahi atu/Greetings

A small group of Niue teachers held a meeting to organise a Niue Speech competition to be held during the Niue Language week in October, due to the fact that there is no Niue Speech competition this year under the umbrella of the Primary Speech Association.

According to the Speech Association, there is a lack of registrations from the schools for the Niue speech competition this year, therefore they left Niue out.

We like to ask if you can support this activity by extending this invitation to the Niue students in your school and the parents or if you have a teacher who is in charge of things Pasifika in your school, please pass this on. We like to offer our Niue students an opportunity to embrace our "Vagahau Niue" during the Niue Language Week.

Here are the details:
